The rulers of Metamoor might have realized what powers the guardians possess.
The Heart of Kandrakar chose the girls after it noticed the confusion on earth.
There has to be some misunder-standing.
Especially when they are this young.
We cannot trust terrestrials. It's too dangerous.
Wise Lusa, the guardians' hearts feel the truth from birth.
Time is running out
The heart of Kandrakar feels the truth which is hidden to us, it cannot be mistaken
Even when they grow up and their bodies become older, their hearts will stay young

RIGHT NOW, THE MOST IMPORTANT THING IS THAT THE GIRLS ACCEPT THEIR POWERS.
THE PARTY IS JUST ABOUT TO BEGIN.
